FEEL THE POWER & JON PRITIKIN

P.O. Box 110 | Lodi, CA 95241-0110

A **Powerful** Demonstration with a Powerful Message

Feel The Power's school assembly program uses feats of strength - breaking bricks, bending steel bars, breaking baseball bats, ripping telephone directories in half and more - to immediately captivate students.

Jon Pritikin uses humor and inspirational stories to connect with students of all ages. Having overcome a multitude of obstacles in the area of self-esteem, and proving wrong all those who spoke the words "You can't" to him, Jon has a gift for speaking to issues of self-worth and the value of each individual.

In the past 17 years, over 5 million people around the world have heard this motivational message. You can be next!
